

In our work with families and their children, we strive to meet the following outcomes:

Families are informed.

Families choose their child's child development goals.

Families choose their goals.

Families are satisfied with their services.

Families are satisfied with their life situations.

Families choose services and supports.

Families have economic resources.

Families remain together.

Children spend time in inclusive environments.

Children develop relationships.

Families are a part of their communities.

Families attain their goals.

Children attain their developmental milestones.

Families remain connected to natural supports.

Children are safe.

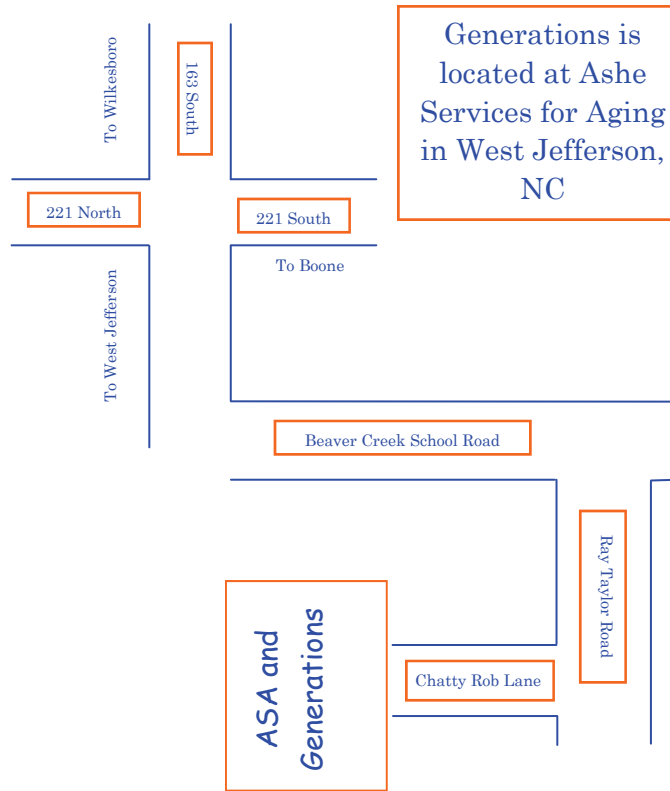

Families exercise rights.

Families are respected.

Children have the best possible health.

Children are free from abuse and neglect.

Families experience continuity and security.

Generations

An intergenerational developmental day program serving children ages birth to 5 years

336-246-2655

About Generations Developmental Day Center

Generations is a developmental day center that is licensed by the NC Division of Child Development and certified to provide developmental day services to children with special needs as well as typically developing children and their families.

The center is co-located with Ashe Services for Aging in West Jefferson and offers intergenerational experiences for children through informal visits and joint activities with adult day center participants and informal and planned interactions with adults visiting the senior center.

Children ages birth through 5 years are served in a fully inclusive setting.

Services for Families and Children

- A developmentally enhancing indoor and outdoor learning environment for children
- Monitoring of children's developmental progress through portfolio assessment
- On-site speech, physical, and occupational therapies
- Community-Based Rehabilitation Services
- Community experiences through field trips
- Exposure to diversity through intergenerational activities
- Referrals to other community services
- A variety of parent involvement opportunities
- Parenting education and support opportunities

About Our Parent Organization: Ashe Services for Aging

Ashe Services for Aging's mission is to provide services, intergenerational activities, and opportunities to the elderly and disabled adults of Ashe County that enhance their dignity and help them maintain their independence at home.

This mission is carried out through a variety services including:

- Home-based care programs
 - Adult day services
- Senior Center Events and Activities
- Ashe Senior Village
- Volunteer Opportunities
